

# HOLE GRID VACUUM TABLE

SAV 249.02GAL

**Use :**

For holding parts during machining dry or under water.

**Features :**

- Table in aluminum drilled with pitch of 10x10mm
- Diameter of holes 5/0,3mm
- M6 threaded holes with pitch of 100x100 mm
- Pipe of external diameter 12mm
- Clamping by flanges all around

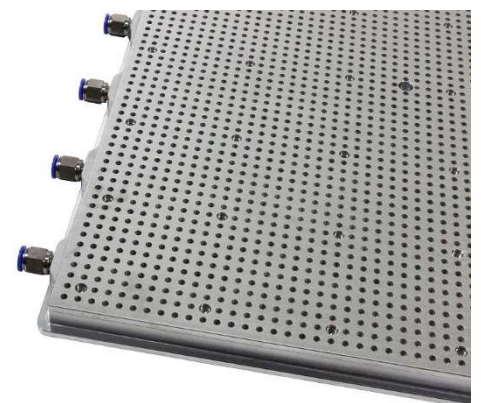

**Standard delivery:**

- 1 vacuum table
- 1 distributor (if several zones)
- 1 supply pipe
- 1 martyr plate
